Day Nine

DAY 09 — Saturday · 18 July

Farewell

09:30 **Breakfast at the hotel**

— **Farewell & airport drop-off**
Berlin Brandenburg Airport

Five days of building with AI

Every afternoon at SRH Berlin, students build real web projects with AI — no traditional coding required. The city around them becomes the brief.

20h

Training

Coding Vibe · Prompting · LLMs · n8n agents

10h

Berlin fieldwork

Turning what they see into product ideas

4

Live projects

Each team ships to a real subdomain

Travel & learn.

A city, a campus, and nine days of building
what comes next.
